※The outer bags listed above can be used as designated bags for Non-Burnable Trash (Small).

【Precautions For Using Outer Bags】

- You may only dispose of non-burnable trash in the outer bags.
- Sort non-burnable trash in the same way, and put them in separate bags.
- When using the outer bags, make sure enclosed items do not come out by taping the bag with packing tape.
- If the items are too long and stick out of the bag, please use a regular-sized designated trash bag.
- You may not use the industrial garbage outer bags.
- You may not take out industrial garbage using outer bags for designated household trash bags.
